Activity: Media
Using apps to report crime

Learning objective

At the end of this activity you should be able to:

- understand how apps can change the reporting of crime.

Working with a partner, visit the website below, scroll to the Hate Crime Reporting App section, and answer the questions that follow.

<https://www.stophateuk.org/about-us/about-stop-hate-helplines/>

1. Who can report hate crimes through the Hate Crime Reporting App?
2. What kind of evidence can be submitted through the app?
3. Who is alerted during an emergency situation?
4. How does the app protect the identity of the user?
